(Boulanger - Kennedy)

When the twilight is gone  
And no songbird is singing  
When the twilight is gone  
You come into my heart  
And here in my heart you will stay  
While I pray

My prayer is to linger with you  
At the end of the day  
In a dream that's divine

My prayer is a rapture in blue  
With the world far away  
And your lips close to mine

Tonight, while our hearts are a glow  
Oh tell me the words that I'm longing to know

My prayer, and the answer you give  
May they still be the same  
For as long as we live  
That you'll always be there  
At the end of my prayer
