(Buck Ram - Andre Rand)

Only you can make this world seem right
Only you, only you can make the darkness bright
Only you and you alone can thrill me like you do
And fill my heart with love for only you.

Only you can make this change in me
For it's true you are my destiny
When you hold my hand I understand the magic that
you do
You're my dream come true my one and only you.

Only you, only you can make this change in me
For it's true you are my destiny
When you hold my hand I understand the magic that
you do
You're my dream come true my one and only you.
