(Richard Supa)

To-a lu a lu a lu Sweet harmony  
Only a child on my Papa's knee  
Rock-a-bye man, rock-a-bye song  
Papa would sing, I'd hum along  
I'd climb on his lap and he'd sing to me  
Only a child on my Papa's knee

Now Papa would sing, a little off key  
But filled me with feelings of sweet harmony  
How I'd like to hear that old tune again  
And rock to and fro in lullaby land

To-a lu a lu a lu Papa would moan  
Oh takes me back to my childhood home  
To-a lu a lu a lu Sweet harmony  
Only a child on my Papa's knee

Now sometimes alone,  
I reminisce, surrender my thoughts about love ones I  
miss  
A child so young  
I love to think of this  
And I can recall how Papa rocked me

To-a lu a lu a lu Papa would moan  
Oh takes me back to my childhood home  
To-a lu a lu a lu Sweet harmony  
Only a child on my Papa's knee
