Pretend you're happy when you're blue it isn't very hard
to do
And you'll find happiness with odd and end whenever
you pretend
Remember anyone can dream and nothing's bad as it
may seem
The little things you haven't got could be a lot if you'd
pretend
You'll find a love you can share one you can call all
your own
Just close your eyes he'll be there you'll never be alone
And if you'll sing this melody you'll be pretending just
like me
The world is mine it can be yours my friend so why
don't you pretend
[sax]
And if you'll sing this melody...
