(Paul F. Webster - Johnny Mandell)

The shadow of your smile when you are gone
Will color all my dreams and light the dawn
Look into my eyes my love and see
All the lovely things you are to me.

Our wistful little star was far too high
A teardrop kissed your lips and so did I
Now when I remember spring all the joy that love can
bring
I will be remembering the shadow of your smile.

Now when I remember spring all the joy that love can
bring
I will be remembering the shadow of your smile...
