Oh, we ain't got a barrel of money  
Maybe we're ragged and funny  
But if you travel along  
Singing a song side by side

Oh, we don't know what's coming tomorrow  
Maybe it's trouble and sorrow  
But we'll travel the road  
Sharing our load side by side

Through all kinds of weather  
What if the sky should fall?  
Just as long as we're together  
It doesn't matter at all

When they've all had their quarrels and parted  
We'll be the same as we started  
Just traveling along  
Singing our song side by side

My sentiments exactly  
I know what you're saying  
Yes I know what you're saying

We ain't, what if the sky should fall  
And well it doesn't matter at all  
I know what you're saying  
They've all had their quarrels and they've parted  
Yeah but we are the same as we started

I know that's right  
Traveling along  
Singing our song  
Oh, we ain't got a barrel of money  
And we may be ragged and funny

I know that's right but it makes no difference  
Because we'll be traveling along  
Always singing a song  
Singing a song, side by side

Sure feels good to have a friend

(Side by side)  
Side by side  
Through thick and thin  
And thin again

Ragged and funny  
Without the money  
Without the money  
We still friends  
Friends till the end  
We still friends  
Side by side

We'll be traveling  
Traveling along  
Spending all the money we ain't got  
Well I know how that is  
We always do that kind of thing anyway  
(I got a credit card)

Oh, traveling along  
Oh, singing a song  
(New York, Chicago)  
New Ireland  
Los Angeles  
Paris, France  
London, England  
Greece

I got Madrid, I got Madrid  
And Italy, Texas  
Yes, yes, yes
