(T. Wine - I. Levine)

How did it feel when he kissed you goodbye?
Don't know 'bout you girl, but talk about cry
Here is the boat that we pedaled together
It's raining forever 'cause we'll never have him again
Sisters in sorrow, sisters in pain
Sharing his linen, sharing his bed
Sharing his linen, sharing his name
People with heart, I know exactly how you feel
I've had a ride on that same ferris wheel
Round and round on a spinner, the faster it feels
Til it wheels you and deals you alone in the ride.

Round and round and round the faster it feels
'Til it wheels you and deals you alone in the ride
sisters in sorrow, sisters in pain
Sharing his linen, sharing his name
Sharing his linen, sharing his name
How did it feel when he kissed you goodbye?
I don't know 'bout you, girl, but I talk about cry
Here is the boat that we...
