(J. Hodges)

I know that someday, you'll want me to want you
When I'm in love, with somebody else
You expect me to be true, and keep on loving you
And though I'm feeling blue you think I can't forget you.

Until someday, you'll want me, ah, to want you
When I am strong on somebody new
And though you don't want me now
I'll get along somehow and then I won't want you.

I said that someday, you'll want me, ah to want you
When I'll be strong, honey, I'll be strong for somebody
new
And, and then thought, you don't want me now
I'll try to get along somehow then I won't, baby I won't
I won't want you...
