"Someone Loves You Honey"

I want to share your life, every minute,
Everyday and night
And I want you to know, that what ever you do,
Where ever you go

Remember, someone loves you honey,
No matter what I'll be your girl
Someone loves you honey,
More than anything in the world

I'm glad that I'm the one,
That you come to when you need someone
That's what my love is for,
It's a shoulder to lean on, a port in a storm

Remember-someone loves you honey,
No matter what I'll be your girl
Someone loves you honey,
More than anything in the world
Oh-someone loves you honey,
No matter what, I just want to be your girl
Someone loves you honey,
More than anything in the world

Yeah Someone loves you honey,
No matter what just let me be your girl
