Something in the way he moves
Attracts me like no other lover
Something in the way he woos me
I don't want to leave him now
You know I believe and how.

Somewhere in his smile he knows
That I don't need no other lover
Something in his style that shows me
I don't want to leave him now
You know I believe and how.

You're asking me will my love grow
I don't know, I don't know
You stick a round now, it may show
I don't know, I just don't know.

Something in the way he moves
And all I have to do is think of here
It's something in the things he shows me
And I don't want to leave him now
You know I believe and how.

Something in the way he moves
Attracts me like no other lover
Something in the way he woos me
I don't want to leave him now
You know I believe and how...
