Sweet memories
Sweet memories

My world is like a river, as dark as it is deep
Night after night, the past slips in and gathers all my
sleep
My days are just an endless stream of emptiness to me
Filled only by the fleeting moments of his memory

Sweet memories
Sweet, sweet memories
Oh yeah

He slipped into the silence of my dreams last night
Wondering from room to room, just turning on each
light
His laughter spills like water from the river to the sea
I'm swept away from the sadness, clinging to his
memory

Oh, sweet, sweet memories
Sweet memories
Oh yes
