(Jimbeau Hinson)

Goodbye is all you want to hear me say  
Yet you go, step back of the doorway  
Over I can't let you go quite that easy  
I got a favor to ask of you before you leave

Take a picture of me, down on my bended knee  
With hurry home on my lips just so you won't forget  
Take a picture of me and plant it in your mind  
Before you leave it behind, take a picture of me

I don't want you here if you don't want to be  
You've made up your mind and now your gonna leave  
I don't hold on to a love that's gone today  
But tomorrow, you just might need me so before you  
go away

Take a picture of me, down on my bended knee  
With hurry home on my lips just so you won't forget  
Take a picture of me-and plant it in your mind  
Before you leave it behind, take a picture of me  
Take a picture of me, take a picture of me
