That's All Right

What he want, that's what I want
Where he go, I will go there
Even if it turns out to be the middle of nowhere
'Cause I love him, like no other man
He moves me like nobody can
And that's all right just like it is.

Yeah, that's all right just like it is
'Cause I'm his baby he loves me
And that's how it should be
When he smiles, then I'm happy
If he's sad, I'm the gloomy
Just no one around like him, that really gets to me
You know I love him like no other man
Oh, he moves me like nobody can.

But that's all right tell it like it is
I said that's all right just like it is
No, I'm his baby
Lord, he loves me,
And I'm telling you, that's how it's gonna be.

I said I love him, like I love no other man
Oh, he moves me, like nobody can
And that's all right just like it is
Yeah, that's all right just like it is.

Oh, I'm his baby and he loves me
And that's how it's gotta be
Ah, I said it's all right just like it is
Well, that all right just like it is.

Well, it's all right just like it is...
