(Geoff Stephens)

I know all there is to know about the crying game
I've had my share of the crying game.
But there are kisses, then there are cries
And then before you know where you are
You're saying goodbye one day soon.

I'm gonna tell the moon about the crying game.
And if he knows, maybe he'll explain
Why there are heartaches, why there are tears
And what to do to stop feeling blue
When love disappears.

But there are kisses, then there are cries
And then before you know where you are
You're saying goodbye
Don't want no more of the crying game.

Don't want no more of the crying game...
