I walk along the city street
You use to walk along with me
And every step I take
Recalls how much in love we use to be

Oh, how can I forget you
When there is
Always something there to remind me
Always something there to remind me

I was born to love you and I will never be free
You'll always be a part of me, oh

When shadows fall, I pass
A small cafe where we would dance at night
And I can't help
Recalling how it felt to kiss and hold you tight

Oh, how can I forget you
When there is
Always something there to remind me
Always something there to remind me

I was born to love you and I will never be free
You'll always be a part of me, oh

If you should find, you miss
The sweet and tender love, we use to share
Just come back to the places
Where we used to go and I'll be there

Oh, how can I forget you
When there is
Always something there to remind me
Always something there to remind me

I was born to love you and I will never be free

When there is
Always something there to remind me
Always something there to remind me

Always something there to remind me
