(D. Burnett - J. Osborne)

Time and time again I call his name  
Time and time again it's all been in vain  
I walk the streets and I find myself walking alone  
I didn't miss a thrill until he was gone.

Night after night I sit and long for his lips  
I try to find an answer for my foolishness  
Yeah, yeah, time and time again I broke his heart  
Aah, I said, time and time again I acted smart  
Yes, I had a good thing and though it could never go  
wrong  
I never missed a thrill until he was gone.

Night after night I sit and long for his lips  
I try to find an answer for my foolishness  
Yeah, yeah, time and time again I broke his heart  
Aah, I said, time and time again I acted smart  
Yes, I had a good thing and though it could never go  
wrong  
I never missed a thrill until he was gone.

I'm telling you time and time again  
Oh, time and time again...
