(Henry Cosby - Sylvia Moy - Steve Wonder)

Baby, everything is alright  
Uptight, out of sight  
Baby, yeah everything is alright  
Uptight, out of sight.

I'm a poorman's daughter from cross the railroad  
tracks  
The only dress I own is hangin' on my back  
But I've got a talk of every single guy  
Since I'm the apple of my baby's eye.

People are stepping on the town for a while  
My fear is low and my clothes out of style  
But it's alright if my clothes aren't new  
Out of sight because my heart is true.

He says baby, yeah, everything is alright  
Uptight, out of sight  
Baby, everything is alright  
Uptight, clean out of sight.

--- Instrumental ---

And it's alright what I can't do  
Out of sight because my heart is true  
He says baby everything is alright  
Uptight, clean out of sight.

Baby, everything is alright  
Uptight, clean out of sight...
