(D. Black - U. Jurgens)

Walk away please go
Before you throw your life away
A life that I could share for just a day
We should have met some years ago
For your sake I say walk away, please go
Walk away and live a life that's fill
With no regrets
And don't look back at me, just try to forget
Why build a dream that cannot come true
So be stronger touch the stars now
Walk away walk on
If I heard your voice I'll beg you to stay
So don't say a word just walk right away
Goodbye my love my tears will fall
When you are gone
I can't help but cry that I must go on
I'm sad that I after searching so long
You I love you, but I told you walk away walk on
