We three, we're all alone  
Living in a memory  
My echo, my shadow  
And me

We three, we're not a crowd  
We're not even company  
My echo, my shadow  
And me

What good is the moonlight, the silvery moonlight  
That shines above  
I walk with my shadow, I talk with my echo  
But where is the one I love

We three, we'll wait for you  
Even till eternity  
My echo, my shadow  
And me

We three, we're all alone  
Living in a memory  
My echo, my shadow  
And me

What good is the moonlight, the silvery moonlight  
That shines above  
I walk with my shadow, I talk with my echo  
But where is the one I love

We three, we'll wait for you  
Even till eternity  
My echo, my shadow  
And me

We three
