(Stanley Adams - Marie Grever)

What a difference a day made  
Twenty-four little hours  
Brought the sun and the flowers  
Where there used to be rain.

My yesterday's blue dear  
Today I'm part of you dear  
Yes, my lonely nights are through dear  
Since you said you were mine all the time.

Oh, what a difference a day makes  
Now there's a rainbow before me  
Skies above can't be stormy  
Since that moment of bliss that thrilling kiss.

It's heaven when you when you find  
Romance on your menu  
What a difference a day made  
And the difference is you.

--- Instrumental ---

What a difference a day made  
And the difference is you...
