(Bud Reneau - Mark Sherrill)

Morning's breakin' and here we lie  
Too much in love to let sleep close our eyes  
We turned a page of life  
When we shared our love last night  
The dream from far behind us  
Just came true to find us  
Lying here in each other's arms  
High on a feelin' of love bein' born  
I've had a dream to love you this way  
Since the day

(We were) Cowboys and Indians  
On broomstick horses  
Chasing the ice cream man  
Clutching pennies in our hand  
When our love began

We ventured into each other's life  
Not really knowin' if love would survive  
Till we caught that rainbow  
We chased in our minds  
Since the day

(We were) Cowboys and Indians  
On broomstick horses  
Chasing the ice cream man  
Clutching pennies in our hand  
When our love began
