(Bernard - Smith)

Sleigh bells ring, are you listening  
In the lane snow is glistening  
beautiful sight we are happy tonight  
Walking in the winter wonderland

Gone a way  
It's the blue bird, he'll stay  
It's the new bird, he sings a love song  
As we go along  
Walking in a winter wonderland

In the meadow, we can build a snowman  
We'll pretend that he passing round  
He'll say are you married  
We'll say "No man"  
But you can do the job while you are in town  
Later on, we'll conspire  
As we dream by the fire  
We'll play on a frame the plans that we made
