You ask me to give up the hand of the boy I love
You tell me I'm not the girl that he's worthy of
But who are you to tell me who to love
You know that's up to him, and to the Lord above
You better move on.

You better move on
Well, I know that you can wear those fancy clothes
and diamond rings. HA
But, I believe he's happy with me
Without those things
Still you beg me to set him free
Ah, but my friend that will never be
So you better move on
I said you better move on.

I can't blame you, can't blame you for lovin' him
But can't you understand girl he's my man
And I, you know I'm never going to let him go
Because I love him so.

So, I think, I think you better go know
Because I'm getting mighty mad
You know you asked me to give
Up the only love that I've had
Ooh maybe I would, but I love him so
And I'll never gonna let him go
So you better move on, yeah
You better move on.

Oh yes keep right on moving
I said you better move on...
