(Edward Heyman - Dana Suesse)

You oughta be in pictures  
You're wonderful to see  
You oughta be in pictures  
Oh, what a hit you would be!

Your voice would thrill a nation  
Your face would be adored  
You'd make a great sensation with wealth and fame  
your reward  
And if you should kiss the way you kiss  
When we're alone  
You'd make ev'ry girl and man  
A fan worshiping at your throne.

You oughta shine as brightly  
As Jupiter and Mars  
You oughta be in pictures  
My star of stars...
