Your mama don't dance  
And your daddy don't rock and roll  
Your mama don't dance  
And your daddy don't rock and roll  
Evening comes round and ya gotta go to town, where  
ya go.

I said the old folks say that ya gotta be in by ten, Lawd!  
the old folks say that ya gotta be in by ten  
Kick off your shoes, you always lose, you never win  
And it's all because.

Your mama don't dance  
And your daddy don't rock and roll  
Your mama don't dance  
And your daddy don't rock and roll  
Evening comes round and ya gotta go to town, where  
ya go  
Let it go one time.

Driving down the back road, find a place to park  
Jump into the backseat, ya know it's nice and dark  
Just about the time, your thinking it's a breeze  
A light in your eyes, and somebody says  
"Hey Louise", LAWD it's the police  
Your coming with me and it's all because.

Your mama don't dance  
And your daddy don't rock and roll  
Your mama don't dance  
And your daddy don't rock and roll  
Evening comes round and ya gotta go to town, where  
ya go  
Take it away, one more time.

Your mama don't dance  
And your daddy don't rock and roll  
Your mama don't dance  
And your daddy don't rock and roll  
Evening comes round and ya gotta go to town, where  
ya go

Rock and roll, rock and roll...
