(Donnie Fritts)

Heaven knows that some man has abused you,
I guess that's why you think I'm gonna use you.
You'll hate yourself in the morning,
'Cause you'll wake up and I'll be gone.
You'll give me just one more chance,
I can prove your wrong.

And you're gonna love yourself in the morning,
'Cause I'm gonna love you all night long.
You're gonna love yourself in the morning,
And every morning from now on.

I know what you're thinking
I don't blame you,
Know it's gonna take a whole lot of love to change you.
But when I wake up in the morning,
You're gonna find I'm still your girl.
And you'll see that it can be such a beautiful world

And You're gonna love yourself in the morning,
'Cause I'm gonna love you good all night long.
You're gonna love yourself in the morning,
And every morning from now on.
Yes every morning from now on.
