You're the first, the last, my everything
And the answer to all my dreams
Your my joy, my moon,
My guiding star my kind of wonderful that's what you
are

I know that there's only,
Only one like you there's no way they could have made
two
Yes, you all I'm living for
Your love I'll keep forever more
You're the first, you're the last, my everything

In you, I found so many things
A love so new only you could bring
Can't you see its new
You make me feel this way
Your like the fresh falling dew, on a brand new day

I've seen so many ways that I can love you till the day
that I die
Your my reality then lost in love dreams

You're the first, my last, my everything
You're the first, my last, my everything
You're the first, my last, my everything
