(Carole King)

When you're down and troubled  
And you need someone to care  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest nights  
You just call out my name  
And you know wherever I am  
I'll come running, to see you again.

Winter, spring, summer, or fall  
All you got to do is call  
And I'll be there, yes I will  
Ain't it good to know  
You've got a friend.

People can be so cold  
They'll hurt you, desert you  
Well they'll take your soul if you let them  
But we won't let them  
You just call out my name  
And you know wherever I am  
I'll come running to see you again.

Winter, spring, summer, or fall  
All you got to do is call  
And I'll be there, yes I will  
Ain't good to know  
You've got a friend.

You've got a friend  
You've got a friend  
Yes you've got a friend  
You've got a friend...
