She told me to dream so I left her to die
Threw my heart in the sound, so I could reach for the
sky
Forgetting salt water streams, I got this car to rely
And now she's calling my name, I didn't notice that I
I can't find it
I can't find it

Jet City remember me
I'm calling, I'm calling
Regrets flashing back seventeen
I'm falling, I'm falling
Every time you, say it's untrue
Don't know how to, stay above you
Slow burn sins as my stomach aches
Empty halls and pain, this city has changed

I'm calling, I'm calling, I'm calling
I'm falling, I'm falling, I'm falling

She told me to dream so I left her to die
Threw my heart in the sound, so I could reach for the
sky
Forgetting salt water streams, I got this car to rely
And now she's calling my name, I didn't notice that I
I can't find it
I can't find it

Jet City remember me
I'm calling, I'm calling
Regrets flashing back seventeen
I'm falling, I'm falling
Every time you, say it's untrue
Don't know how to, stay above you
Slow burn sins as my stomach aches
Empty halls and pain, this city has changed

Dream this dream or is it a nightmare
Dream this dream or is it a nightmare
Dream this dream or is it a nightmare
I feel you like summer but I reach and you're not there
Dream this dream or is it a nightmare

I'm fleeing like summer cause I'm seeing you can't
bare

Jet City remember me
I'm calling, I'm calling
Regrets flashing back seventeen
I'm falling, I'm falling
Every time you, say it's untrue
Don't know how to, stay above you
Slow burn sins as my stomach aches
Empty halls and pain, this city has changed
