Lips, legs, curves, it's like she's one of a kind
She's got the look, she makes me feel, I'm slipping out
of my mind
And with these blood stained lips in perpetual red
I hold my breath to keep from moving, hold my breath
til I'm dead
I hold my breath til I'm dead.

Lips, legs, curves, it's like she's one of a kind
She's got the look, she makes me feel, I'm slipping out
of my mind
And with those blood stained lips in perpetual red
I hold my breath to keep from moving, hold my breath
til I'm dead

I don't know, I, I don't know who she is
I don't care, I, I do whatever she says
I don't know, I, I don't know who she is
I don't care, I, I do whatever she says

But she could bite down, said it
Makes your heart pound steady
Cause we're rollin' with the dead now
Rollin' with the dead now
Bite quick, and it makes your heart skip, steady
Cause we're rollin' with the dead now
Rollin' with the dead now

Why don't you come down, I, I just wanted to feel
You're tearing into my skin, and that's just part of the
deal
And when the hit drops, hit, kick, pulse, stop. stop.
I take a breath to keep from moving,
Take a breath til I'm not

I don't know, I, I don't know who she is
I don't care, I, I do whatever she says
I don't know, I, I don't know who she is
I don't care, I, I do whatever she says

Bite down, said it, Bite down, said it
Makes your heart pound steady

Cause we're rollin' with the dead now
Rollin' with the dead now
Bite quick, and it makes your heart skip, steady
Cause we're rollin' with the dead now
Rollin' with the dead now

She's got no heartbeat
She's got no heartbeat
She's got no heartbeat
She's got no heartbeat

Bite down, said it. Bite down, said it
Makes your heart pound steady
Cause we're rollin' with the dead now
Rollin' with the dead now
Bite quick, and it makes your heart skip, steady
Cause we're rollin' with the dead now
Rollin' with the dead now

Bite down. Bite down, said it
Makes your heart pound steady
Cause we're rollin' with the dead now
Rollin' with the dead now
Bite quick, and it makes your heart skip, steady
Cause we're rollin' with the dead now
Rollin' with the dead now
