She's gone  
And dragging me with her yes I'll go  
But I can't  
Kiss kiss, when you talk, pretty talk  
She knows  
Oh, how the concept goes  
She bites her lip as she slips off her clothes

You've gotta stay, away  
You've gotta stay, away  
You're gonna stay, away  
You're gonna stay, away

She's gone  
Her cherry flavored lips are in love  
What's wrong  
I know the night is fading  
I'm drawn  
I can't seem to shake it all off  
A little sweet talk you won't stop

What's wrong  
I know the morning will end this show  
If we can't  
Tisk tisk, can't you talk, dirty talk  
I'll know, how the hell this goes  
Her hands shake as she slips off her clothes

You've gotta stay, away  
You've gotta stay, away  
You're gonna stay, away  
You're gonna stay, away

She's gone  
Her cherry flavored lips are in love  
What's wrong  
I know the night is fading  
I'm drawn  
I can't seem to shake it all off  
A little sweet talk you won't stop

What's wrong

I know the morning will end this show  
If we can't  
Tisk tisk, can't you talk, dirty talk  
What's wrong  
I know the morning will end this show  
If we can't  
Tisk tisk, can't you talk, dirty talk  
I'll know, how the hell this goes  
Her hands shake as she slips off her clothes

She's gone  
Her cherry flavored lips are in love  
What's wrong  
I know the night is fading  
I'm drawn  
I can't seem to shake it all off  
She's gone  
Her cherry flavored lips are in love  
What's wrong  
I know the night is fading  
I'm drawn  
I can't seem to shake it all off
