Where did you go?
How will I know
If you hear me out
I need this now
Watching as the leaves fall down
The colors where we use to run and play
Another years flown by I feel
It seems to be to soon the seasons change
The pictures on the wall my dear
The Holy Ghost himself can't make appear
But I believe that you're with me
And you complete my heartbeat still
Where did you go?
How will I know
Hear me out
If you hear me out
I need this now
I lost my faith
And I miss my soul
Hear me out
So hear me out
I need you now
I had heart but it left with your breath
And the notes that you said
I'll remember them always
Just the thought that you're here in my chest
Keeps the thoughts in my head
Through the dark that is these days
These Days
Where did you go?
How will I know
Hear me out
If you hear me out
I need this now
I lost my faith
And miss my soul
Hear me out
So hear me out
I need you now
Pictures on the wall my dear
The Hold Ghost himself can't make appear....
