There's a fire, starting in my heart
Reaching a fever pitch
And its bringing me out the dark
Finally I can see you crystal clear
Go ahead and sell me out
And I'll lay your ship bare

See how I'll leave
With every piece of you
Don't underestimate
The things that I will do
'cause There's a fire starting in my heart
Reaching a fever pitch
And its bringing me out the dark

The scars of your love
Remind me of us
They keep me thinking that
We almost had it all
The scars of your love
Leave me breathless
I can't help feeling like

We could've had it all
Rolling in the deep
You had my heart inside
Of your hand
And you played it
To the beat
Baby i have no story
To be told
But I've heard
One of you
And I'm gonna make your head burn
Think of me in the depths
Of your despair
Making a home down there
As mine sure wont be shared

The scars of your love
Remind me of us

They keep me thinking that
We almost had it all
The scars of your love
Leave me breathless
I can't help feeling like

We almost had it all
Rolling in the deep
You had my heart inside
Of your hands
And you played it
With a beating

Throw your soul
Through every open door
Count your blessings to
Find out what you look for
Turn my sorrow into
Treasured gold
You pay me back in time
And reap just what you sow

We could have had it all x2
It all, it all, it all

We could've had it all
Rolling in the deep
You had my heart inside
Of your hand
And you played it
To the beat x2

You played it x6
You played it to the beat
