I can still remember,
How you first captured me,
Stars in my eyes,
Promising forever,
There would be no more tears,
And no more goodbyes...
Tell me we're,

Still in love,
Am I the only one
Still in love?
Am I the one you've been dreaming of?
'cause I'm still in love with you...

There will be temptation,
Certain as gravity -
Hard to defy,
But even in temptations,
If it is strong enough,
Then love will survive...
Tell me we're,

Still in love,
Am I the only one
Still in love?
Am I the one you've been dreaming of?
'cause I'm still in love with you...
Just say you remember baby,

Tell me we're, Still in love,
Am I the only one
Still in love?
Am I the one you've been dreaming of?
'cause I'm still in love with you...

And if all I have to do,
Is stay true to you,
Well if that's all it takes,
To get through to you,
I'm ready girl - I've got nothing to hide...

Still in love,

Am I the only one,
Still in love...?
