People say I'm the life of the party
'Cause I tell a joke or two
Although I might be laughing loud and hearty
Deep inside I'm blue

So take a good look at my face
You'll see my smile looks out of place
If you look closer, it's easy to trace
The tracks of my tears
I need you, need you

Since you left me if you see me with another girl
Seeming like I'm having fun
Although she may be cute, she's just a substitute
Because you're the permanent one

So take a good look at my face
You'll see my smile looks out of place
If you look closer, it's easy to trace
The tracks of my tears
Oh, I need you, need you

Outside I'm masquerading, inside my hope is fading
Just a clown, ooh yeah
Since you put me down, my smile is my make up
I wear since my break up with you

Baby, take a good look at my face
You'll see my smile looks out of place
If you look closer, it's easy to trace
The tracks of my tears

Now baby, baby
Baby, take a good look at my face
You'll see my smile looks out of place
If you look closer, it's easy to trace
The tracks of my tears
The tracks of my tears

People say I'm the life of the party
'Cause I tell a joke or two
Although I might be laughing loud and hearty

Deep inside I'm blue, I'm blue
