I used to say dumb things
I guess I still do
I'm doing it again
But that's what happens
When you're in view

More used to naked men
You said, "Leave the light on
Don't be frightened"
I don't know how long
I can wait to see if my

Apology's accepted

Too proud to hang my head
In shame beside your bed
But sometimes you want something
So bad, you'll grab anything

You said that's ridiculous
There's only one thing that precious
I don't know how long
I can wait to see if my

Apology's accepted
I gotta know is my
Apology accepted

Time and time again
Your soft eyes close
In trust above me
Such a simple question
I pretended, I was sleeping

I didn't know anything
But you I'm keeping
I don't know how long
I can wait to see if my

Apology's accepted
I gotta know is my
Apology accepted

I gotta, I gotta know is my
Apology accepted
I gotta know is my
I have to know if my
Apology accepted
