What would you do
If I told you to run from him?
What would you say
If I told you to abandon him?

I know you drink, you've had a lot to drink
Do you have to talk like that?
If you go to parties and cut your hair
People grab their hats

Ah, but I know with a heart like that, yeah
And in times like these, yeah, with a heart like that,
yeah
(I want you to cut it out)

What would you do
If I told you to pack your bags?
What would you say
If I told you to take off those rags?

I know you're down, I know you're blue
You broke his spell
If you want life, you take that life
And you live it well

Ah, but I know with a heart like that, yeah
And in times like these, yeah, with a heart like that,
yeah
(I want you to)

I want to know
I want to know
I want to know
(With a heart like that you cut it out)

I want to know
I want to know
I want to know
(With a heart like that you cut it out)

Cut it out
Cut it out

(Cut it out)
(Cut it out)
Cut it out

Have you lost your marbles? You're not crazy yet
Listen to me, don't you forget
What would you say
If I told you, you had to run from him?

Ah, but I know with a heart like that, yeah
And in times like these, yeah, with a heart like that,
yeah
(I want you to cut it out)

Cut it out
Cut it out
Cut it out
Cut it out
Cut it out
Cut it out
