Can't find my way down my own street
Got to get my dream on it's feet
I'm trapped in my house
On first name terms with its mouse

Don't say, this house is a shack
We had it once, can I get it back?

It's a fine line between love and despair
Do you know the times I've waited on your stair?
Don't say, you've got a home and new life
I won't stand in your way 'cause you're someone else's
wife

I'm gonna try to set things straight
But I can't see straight
I'm gonna drive if it takes me years
Gotta learn to live with fear

Don't say, this house is a shack
Lightning hit it so I struck back

It's a fine line between love and despair
Do you know the times I've waited on your stair?
Don't say, you've got a home and new life
I won't stand in your way 'cause you're someone else's
wife

Don't say, this house is a shack
Thunder cracked so I cracked back

It's a fine line between love and despair
Do you know the times I've waited on your stair?
Don't say, you've got a home and new life
I won't stand in your way 'cause you're someone else's
wife

Don't say, you've got a home and new life
I won't stand in your way 'cause you're someone else's
wife

If I'm wrong, you'll see

Don't turn me around
I call you liar, you call me liar
I am not a liar
