Written by Valentine/Heatherton
Discontent had it's day
the pleasure's gone I will find a way to move on
If you ask me to describe
What I could want with all I've got
I'd say good days and thank you's
Instead of all these question marks
'Cause when I found you I thought my
life was charmed
And we'd be safe from what Has
happened now has happened now
APOLOGY I'M SORRY
BUT I HAVE NO REGRETS
APOLOGY I'M SORRY
APOLOGY I'M SORRY
No one knows just why I can't stay
Starting over's alright
the end so far away
My moods they change
like the weather I know I seem
careless So I ask your forgiveness
In the meantime I live I work I wait I hope
While I pull myself together
That what was mine can still be mine
I still have faith
APOLOGY I'M SORRY
BUT I HAVE NO REGRETS
APOLOGY I'M SORRY
APOLOGY I'M SORRY
In the meantime I live I work I wait I hope
That what was mine can still be mine
I still have faith
APOLOGY I'M SORRY
APOLOGY I'M SORRY
YOU'LL BE SORRY
I'LL BE SORRY
EVERYBODY WILL BE SORRY
APOLOGY I'M SORRY
BUT I HAVE NO REGRETS
