Written by Schock/Wiedlin/Plunkett
You walk into the room and the temperature falls
The mood disappears
Chased away by the gathering storm
That is here
And this house has no roof to shelter me
I look up painted sky full of memories
IT'S THE PERFECT CONSOLATION PRIZE
WHEN I SEE YOU IT'S AN AUTOMATIC RAINY DAY
A LITTLE PIECE OF BLUE IT'S AN AUTOMATIC RAINY DAY
You come around just when it feels like the world
Dragging your permanent cloud
Is together and whole
And the weather turns cold
Falling down in the hole you dug for free
Hang around for a repeat of history
WHEN I SEE YOU IT'S AN AUTOMATIC RAINY DAY
A LITTLE PIECE OF BLUE IT'S THE PERFECT CONSOLATION PRIZE
IT'S AN AUTOMATIC RAINY DAY
WHEN YOU SEE THE REACTION YOU CAUSE
DOES IT MAKE YOU SAD? DO YOU EVEN REALIZE THAT YOU'RE SUCH A DRAG?
