I gave up looking for a reason.  
To live with things just the way they were.  
I came around, used to be easy to get to.  
So they, got to me in just about every way.

Caught with no cards up your sleeve not much to  
choose from.  
Grew up all along just thinking that you couldn't lose.  
Don't want to live without that security.  
You'd think that, with a little bit more, you'd be alright.

Can't stop the world. Can't stop the world. Can't stop  
the world.  
Why let it stop you. Why let it stop you. Why let it stop  
you.  
Can't stop the world. Can't stop the world.

Your heart, your will, your car, they've all been broken.  
You let everybody know about your better days.  
You got beat and it's not entertaining.  
Watching you try to stand up on your feet again.

Can't stop the world. Can't stop the world. Can't stop  
the world.  
Why let it stop you. Why let it stop you. Why let it stop  
you.  
Can't stop the world

Go! [guitar solo]

I gave up looking for a reason.  
To live with things just the way they were.  
I came around, used to be easy to get to.  
So they, got to me in just about every way.

Can't stop the world. Can't stop the world. Can't stop  
the world.  
Why let it stop you. Why let it stop you. Why let it stop  
you.  
Can't stop the world. Can't stop the world. Can't stop  
the world.  
Can't stop the world.
