Never trusting things will be okay
Such a hard life lesson it's so strange
But even if you leave Nothing's gonna change
IF YOU LOSE CONTROL AND BURN A BRIDGE TOO FAR
NO MATTER WHERE YOU GO HERE YOU ARE HERE YOU ARE
I know what's behind the things you do and say
Fall down screw up get up run away
And I'll show you what I see
So just look at me WHEN YOU LOSE CONTROL AND
BURN A BRIDGE TOO FAR NO MATTER WHERE YOU GO
HERE YOU ARE HERE YOU ARE
The love you own Is all that we can know
Is it so fleeting? The love you seek
Are we really all just alone? This moment in space and time
IF YOU LOSE CONTROL AND BURN A BRIDGE TOO FAR
HERE YOU ARE HERE YOU ARE NO MATTER WHERE YOU GO
WHEN YOU LOSE CONTROL NO MATTER WHERE YOU GO
AND BURN A BRIDGE TOO FAR HERE YOU ARE
IN MY HEART HERE YOU ARE
