

Go-Go's "I'm The Only One"

What you think of me is hard to tell
Double talkin' words
that I can't spell I don't want to read
between your lies
You always run away with words
Love comes easy when
you close your eyes
You're never seen once you've
been heard
CHORUS I'm the only fool
That's as big a
fool as you I'm the only one
you run to I'm the only one-
only one for you
Got the only heart
And it beats as hard
as yours
The one you come to
The only one you can get
to
Only one for you
There's no need to play this silly
game
No one wins and nothing's ever gained
But
you're as blind to love as you are to me
You'd think by
now that maybe you would see
I'm all for one, you're
one for all
I got the only number you should call
CHORUS
