Written by Caffey/Wiedlin/Stuart Somewhere the moon
is rising Somewhere the sun is shining I'm sitting here
Somewhere someone is laughing I'm dying here
Somewhere something is happening STUCK IN MY CAR
TRYING TO GET TO YOU Let's go Let's go TURN THE
RADIO UP AND SCREAM ALONG STUCK IN MY CAR
NOTHING I CAN DO STUCK IN MY CAR STUCK IN MY CAR
Slow motion disaster Wish I could go faster I know the
world is spinning Closer, closer to you I'm standing still
But it never brings me any Let's go, let's go STUCK IN
MY CAR STUCK IN MY CAR STUCK IN MY CAR TRYING TO
GET TO YOU TURN THE RADIO UP AND SCREAM ALONG
COME ON COME ON STUCK IN MY CAR NOTHING I CAN
DO Oooh get me out of here Oooh I gotta go I gotta go I
gotta go
