Written by Caffey/Wiedlin/Hoffs Don't want to hear the
things you'd do to me Only if you could I don't want you
to get near to me It just might feel too good Where we
shouldn't go Don't lead me And I'll try not to make too
much Of what you say you know I'M LEVITATING
HAVING TROUBLE CONCENTRATING I NEED TO FEEL
THE GROUND THINKING EVERY THOUGHT OUT LOUD
TALKING MYSELF DOWN TALKING MYSELF DOWN I know
Too high to afford I've been here before The price is If
I'm hesitating in this room So close to you I'm someone
with a weakness For the damage you could do IT'S
INTOXICATING HAVING TROUBLE CONCENTRATING
TALKING MYSELF DOWN THINKING EVERY THOUGHT
OUT LOUD I NEED TO FEEL THE GROUND TALKING
MYSELF DOWN I'M LEVITATING IT'S INTOXICATING
HAVING TROUBLE CONCENTRATING
