Go, but the light's on red
We're waiting on the starting line
Can feel my heartbeat
Mouth so dry.

And yeah, don't waste no time...
Strap yourself in, don't be shy
Tonight...

The roads we don't know say to drive slow,
We're going too fast, we're going too fast,
I couldn't stop if I wanted to try,
Now...

Brake, Brake, Brake,
But a moment just too late,
For God's sake,
This life I just can't waste.
As hearts race,
And the clock it stops in time,
We're going...

Down, Down, Down
And the shouting screams they drown
With no sound,
But the shattered glass so loud
I shout out,
'Cos I think we're going under,
Under.

The sky turns red,
The silent screams ring in my head,
Again.
Burning fills the air around,
I don't think I'll be found...
Lying here.

The roads we don't know say to drive slow,
We're going too fast, we're going too fast,
I couldn't stop if I wanted to try,
Now...

Brake, Brake, Brake,
But a moment just too late,
For God's sake,
This life I just can't waste.
As hearts race,
And the clock it stops in time,
We're going...

Down, Down, Down,
And the shouting screams they drown,
With no sound.
But the shattered glass so loud,
I shout out,
'Cos I think were going under,
Under.

Brake, Brake,
This is more than I can take,
For Gods sake,
Help me get out of this place.
I can't wait cos I'm cold and left alone,
I shout out but no one hears my calls.

Brake, Brake,
This is more than I can take,
For God's sake,
Help me get out of this place.
I can't wait cos I'm cold and left alone,
I shout out but no one hears me.

Brake, Brake, Brake,
But a moment just too late,
For God's sake,
This life I just can't waste,
As hearts race,
And the clock it stops in time.
So help me...

Brake, Brake, Brake,
But a moment just too late,
For God's sake,
This life I just can't waste.
As hearts race,
And the clock it stops in time,
We're going...

Down, Down, Down,
And the shouting screams they drown,
With no sound.
But the shattered glass so loud,
I shout out,

'Cos I think were going under,
We're going...

Down, Down, Down,
And the shouting screams they drown,
With no sound.
But the shattered glass so loud,
I shout out,
'Cos I think we're going under,

We're going down
