I'm t-tossing and a turning, and I can't get you out my
mind
I'm wishing you would call me, won't you ring into my
line
You know what I'm just thinkin' I can't hold it inside
I wonder if you saw it when you into my e-eyes, come
on

One, two, three got me again
I could never get enough
My love for chocolate's got me wanting you, uh-uh-uh
whoa you
My love for chocolate's got me wanting

First time that I saw you I admired from afar
Second time you had me you said I like who you are
Third time was a charm, I thought you could set my
soul at ease (set my soul at ease)
I don't know if it's your smile or it's the way that you
move
You really got me going, boy I'm feeling you
Oh, every time you ring its li-like you're the only one for
me (only one for me)

Oh, One, two, three got me again
I could never get enough
My love for chocolate's got me wanting you, uh-uh-uh
whoa you
My love for chocolate's got me wanting

Trust me, don't move, don't think I wanna feel it
I'll hold you here with me what are you waiting for, I
want more
Curiosity is killing and boy I know you're willing, come
on
Wouldn't you like to know? uh-uh-uh-uh-oh
No, they'll never be an end to the pleasure we'll
discover, come on
Wouldn't you like to see?

One, two, three got me again

I could never get enough
My love for chocolate's got me wanting you, uh-uh-uh
whoa you
My love for chocolate's got me wanting

Wouldn't you like to go? uh-uh-uh-uh-oh
Wouldn't you like to be? One, two, three
Wouldn't you like to know? uh-uh-uh-uh-oh
Wouldn't you like to see?

Oh, One, two, three got me again
I could never get enough
My love for chocolate's got me wanting you, (just you)
whoa you
My love for chocolate's got me wanting you, uh-uh-uh
whoa you
Uh, My love for chocolate's got me wanting you, (just
you) whoa you
