I wanna know what you wanna do
What if I could say there wasn't any rules?
I wanna play, play around,
Tell me if you think that you can get down!
Cause this is what I'm dying for,
I mean, this is what I'm dying to do!

Chorus:

Come here baby, I'm ready to touch you
Listen to me, nothing's too much
When I'm ready to play
I'm ready to play!
Come here let me whisper in your ear,
Tell you how I'm about to make you feel
I'm ready to play,
And we can play this game all day
Eh

I wanna go, where you never been,
This is not me trying to give in
Said you had a taste, but you really don't know
I think I can help what you're looking for,
Cause this is what we're living for
I mean, this is what we're dying to do!

Chorus:

Come here baby, I'm ready to touch you
Listen baby nothings too much
When I'm ready to play, I'm ready to play!
Come here let me whisper in your ear,
Tell you how I'm about to make you feel
I'm ready to play, we can play this game all day, all day!

Hey Yeah there's something you should know,
No you'll never be cold

You'll feel it all in your soul
We can play
Hey
All Day
