Am I more than you bargained for yet?
I've been dying to tell you anything you wanna hear
'Cause that's just who I am this week

Lie in the grass next to the mausoleum
I'm just a notch in your bedpost
But you're just a line in a song

Drop a heart, break a name
We're always sleeping in
And sleeping for the wrong team

We're going down, down in an earlier round
And sugar we're going down swinging
I'll be your number one with a bullet
A loaded god complex, cock it and pull it

Going down, down in an earlier round
And sugar we're going down swinging
I'll be your number one with a bullet
A loaded god complex, cock it and pull it

Drop a heart, break a name
We're always sleeping in
And sleeping for the wrong team

Is this more than you bargained for yet?
Oh, don't mind me, I'm watching you two from the
closet
Wishing to be the friction in your jeans

Isn't it messed up how I'm just dying to be him?
I'm just a notch in your bed post
And you're just a name in a song

Drop a heart, break a name
We're always sleeping in
And sleeping for the wrong team

We're going down, down in an earlier round
And sugar we're going down swinging
I'll be your number one with a bullet

A loaded god complex, cock it and pull it

Going down, down in an earlier round
And sugar we're going down swinging
I'll be your number one with a bullet
A loaded god complex, cock it and pull it
We're going down, we're going down

Down, down
We're going down
Yes, we are, we're going down, down
We're going, we are going down

Here we are, we're going down
Here we go now, here we go

We're going down, down in an earlier round
And sugar we're going down swinging
I'll be your number one with a bullet, oh yeah
I'll be your number one with a bullet
