Take my hand and let it begin  
Open your heart and let me in  
Girl, I think I'm in love with you  
And I think your in love with me too

There's this girl whose kiss is all I dream of  
I'm the boy who prays it's with me that she's in love

The summer has come, and with your face  
In my mouth its your skin I can taste  
I know the way past all of your fear  
It's a song that I sing in your ear

There's this girl whose kiss is all I dream of  
I'm the boy who prays it's with me that she's in love

There's this girl whose kiss is all I dream of  
I'm the boy who prays it's with me that she's in love  
If I knew the words, I would write to her  
And if I only had wings, I could fly to her

There's this girl whose kiss is all I dream of  
I'm the boy who prays it's with me that she's in love

There's this girl whose kiss is all I dream of  
I'm the boy who prays it's with me that she's in love

There's this girl whose kiss is all I dream of  
I'm the boy who prays it's with me that she's in love

There's this girl whose kiss is all I dream of  
I'm the boy who prays it's with me that she's in love

There's this girl whose kiss is all I dream of  
I'm the boy who prays it's with me that she's in love
